SLEEP

In “the city that never sleeps”, there is always time catch up on some z’s and it doesn’t matter what time of day it is. I usually take my nap while heading to school. **#tired**

EAT

Subway: eat fresh.

“I’ll take it to go”, is something I often say when I’m in a rush to go to work or school, so I eat it on the train.

READ

Reading is always a great thing to do when you have a long ride on the subway. Sometimes, I get really caught up into my book that I forget where I am.

MUSIC

There are days when I get tired of hearing my music playlist and I like to listen to what others have to play. **#freemusic**

DANCE

“it’s showtime!”

Sometimes it's fun to watch these guys perform when I'm having a bad day.

BEAUTY SALON

The train is a perfect place to do your makeup. I know because I have done it several times.

#makeup

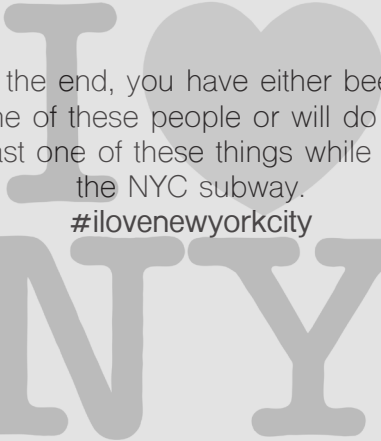

As for the fellas, maybe one day you'll need a quick shave or may need to cut those nails.

#groomed

In the end, you have either been
one of these people or will do at
least one of these things while on
the NYC subway.
